Remote Learning Information

for parents/carers

How to check what learning activities your child received today

- Your child will receive their learning via their Carr Manor Office 365 account.
- The teachers will be emailing on the day your child would have that lesson in school.
- To check what learning activities your child has received on a particular day, you can look at their inbox. This is what a typical inbox will look like for a KS3 pupil:

How to check what work your child has submitted to their teacher

- To check what work your child has submitted to their teacher, you can check their sent folder.
- Any work that requires a file to be sent back to the teacher will be in the sent folder and look like something like this:

KS3 Remote Learning Information for parents/carers

- Some work might be sent to your child as a Microsoft Form.
- To check if your child has completed this style of work, click on the link in the original email.
You will then see a copy of their work, along with the points they were awarded for that completed work.

Dear Diary,
I am Charles Dickens and I wrote Oliver Twist. I was born in February 1812 and was the second son of a large family. I dedicated my life to writing and raising awareness of the poor and that is where my inspiration for Oliver Twist came from. I write small sections from my books into magazines so that the poorer can afford them. When I was young I was as poor as dirt we had nothing. I based Oliver Twist and many other books I have written about my life on the streets: dangerous, dark and scary. Quickly, I rose up in the world because of my writing and I am proud of my achievements. I wrote other books such as- David Copperfield, Great Expectations and A Christmas Carol. Books are my life. I shall keep writing and raising awareness for the poor as long as I shall live.
From Charles Dickens
