

Here are some activities that you can be working on with your child before they start school.

Can you peg out the washing?

Can you help to make a sandwich?

Can you help to wash up your dishes?

Can you practise skipping or jumping?

Can you match the colour to the cars?

Can you practise forming letters in shaving foam?

Can you make some marks on the floor?

Can you make your name with lots of creative resources?

Can you count up to 5 objects?

Can you use a knife and fork?

Can you go on a shape hunt?

Can you talk about how you are feeling?

Can you recognise the letters in your name?

Can you retell one of your favourite stories?

Can you thread beads onto a piece of string?

Can you sing your favourite nursery rhymes?
