### *What can we celebrate about us?*

How you choose to present your home learning project is up to you but please send photos via dojo or email instead of sending physical projects into school! We appreciate your support with this.

You could present it on a computer program, as a model, as a piece of writing or artwork! Be creative and have fun! But most importantly show good character for learning and independence!

Please bring in W/C: 18.10.2021
