

Year: 4

Date: 13/05/22

What is Independent Learning?

Independent Learning is a key part of your child's development and strengthens the links between home and school. Please encourage your child to be an independent learner with their learning. You can support your child by encouraging them to be a growing brain and try their best!

Each week we will be sending a Maths and English challenge for your child to complete. These are the non negotiables within your child's year group which are considered the core objectives a child needs to achieve in order to make good progress in learning the following year. When children hand in the home learning books each week, we will celebrate all the learning and practice children have done as a class.

As well as weekly English and Maths challenges, we will also be sending a half termly home learning project which links to the learning project we are covering at school. This is to be handed in during the last week of each half term.

This half term's big learning question is...

Why is the River Aire so important to Leeds?

Your challenge is to make a documentary / presentation about how the river has been used over the years and how it is currently used. Also, where does it start and end and which places does it visit on its journey?

Children can present in any format they want.

Due date—Wednesday 25th May 2022

Swimming

4TR Tuesday and 4PG Friday - both classes now are taken by Mr Read!

English Challenge

This week in English we have been looking at persuasion. Can you write a letter to the Education Secretary to say if you are for or against SATs in Y6?

Don't forget!

Please make sure you bring correct PE kit – all black T-shirts, shorts, joggers or leggings.

Spellings (Progress checks on Monday and Friday)

All our weekly spellings are now on Spelling Shed online. Your child should have a login and password for this. You can access the website by going to <https://play.edshed.com>

In maths this week we have been looking at money problems. Please can you complete the following word problems -

Lewis went to the shop and bought a magazine for £3.80, and some biscuits at £3.50.
How much does he spend altogether?

Mia just loves swimming, and she bought some new goggles at £7.40. When she took them to the till, they came up at half price.
How much did Mia's swimming goggles cost?

A One Direction CD costs £8.40, whilst Little Mix's CD costs £5.70.
How much more does One Direction's CD cost?

Josh paid £6.10 for 2 pairs of new football socks.
How much does each pair cost?

Train tickets from Nottingham to Birmingham cost £11.20 for a single journey.
How much would a return journey ticket cost?
