

Year: 6

Date: 06.05.22

What is Independent Learning?

Independent Learning is a key part of your child's development and strengthens the links between home and school. Please encourage your child to be an independent learner with their Independent Learning. Year 6 is an important time for your child and it is vital that you support them to complete their Independent Learning every week. Each week, your child will have an English activity, a list of spellings and a set of maths questions. As always, thank you for ensuring your child reads for 20 minutes every day.

Thank you. Miss Clark and Miss Sands

Each week, we'll look at a book that you might want to read at home. These books are all appropriate for a child working at the expected level for Year 6.

From the moment Stick Boy and his family move to Little Town, there is way more to worry about than being the new kid. There's a mysterious plot involving Baron Ben's new Mega Mall, pop star Jonny Vidwire and the highly suspicious HomeBots that are infiltrating every home in town. Can Stick Boy and his friends uncover the evil plan behind it all before it's too late?

An incredibly exciting and extremely funny new world for middle grade readers and fans of DIARY OF A WIMPY KID, TOM GATES and TIMMY FAILURE.

This half term, our Big Learning Question is:

Where in the world are we?

We will be learning about our local area and using our map-reading skills to understand different types of map. For this half term, you could research symbols on a map key and create your own map of the local area, you could research the history and geography of Leeds or you could learn the names/location of different countries in the world.

A note to remember...

SATs don't measure sport,
SATs don't measure art,
SATs don't measure music
Or the kindness in your heart.

SATs don't see your beauty,
SATs don't know your worth,
SATs don't see the reasons
You were put upon this Earth.

SATs don't see your magic,
How you make others smile,
SATs don't time how quickly
You can run a mile.

SATs don't hear your laughter,
Or see you've come this far,
SATs are just a tiny glimpse
Of who you really are.

So sitting at your table,
With a pencil and your test,
Remember SATs aren't who you are
Remember, you're the best!

Independent Learning tasks

Next week, you will be sitting your SATs so this week's independent learning is very important and should be completed to the highest standard.

Choose from the following options (bonus points if you complete all of them):

- Watch a comedy and laugh until your face hurts
 - Go for a walk with your family
- Phone a family member that you haven't seen in a while
 - Have a lie in
 - Play cards or a board game
 - Eat your favourite food
- Spend time doing your favourite hobby
 - Play in your garden
 - Try something new
 - Go on a bike ride
 - Have an ice cream
