Can you explore the different types of homes? What is the difference between a detached, semi-detached and flats?

Number focus

This week we have explored number bonds. Can you find all the number bonds to ten? Remember a number bond is two numbers that make 10.

Can you find all the 'ue' in this piece of text?

Dear Sue,

Look at this clue about what I did last Tuesday.

I was on Buell Avenue and I spotted a queue for Kent's biggest barbecue! As I got near, I could hear two people starting to argue about the deal that was the best value.

The people continued all day and I started to think they'd duel! I had to come to the rescue. I took my cue and formed a plan to sort out the issue. I hid next to a statue and got some glue.

To hear the rest, meet me at The Bluebird Pub next week. You will think it is not true!

See you soon!

Love Rueben x
