change their meanings.

Can you add the prefix '-un' to the start of these words to change their
meanings? Choose one to write in a super sentence.

This week in English we have innovated our poem 'Here is the
Seed' to become 'Here is the Mouse'.

Can you have a go at inventing your own poem based on this,
but innovate the animals?

Remember, have a try at finding words that rhyme so that it
follows the pattern of the poems we have looked at recently.

Maths

This week in maths we have continued our learning all about time.

We have been working hard at using clocks to tell the time to the hour.

Can you have a go with a watch/clock at home at telling the time to the hour?

Can you have a go at writing the time and what happened at the time you recorded?

Topic

This half term we are exploring the topic 'Where do and did the wheels on the bus go?'

Can you create something to show what you have learned during this topic?

You can present this in any way you wish.

Please bring the topic projects in to show in the last week of half term (w/c 18.7.22).
