

Carr Manor Community School Admissions Policy 2026-27

Admission policy for September 2026 to July 2027 admissions

Policy Determination Date: February 2025

Determined by: School's Governing Body

Date of next review: January 2026

Date of last consultation: January 2023

This admissions policy applies to Carr Manor Community School, an all through school, for September 2026 to July 2027. We are a Foundation school and our school's admission authority is the Governing Body.

Children with a school named on their Education, Health and Care (EHC) plan

Children with our school named on their Education, Health and Care (EHC) plan will be given a place in our school.

How we prioritise school places (oversubscription criteria)

If our school has more applications than places (called being oversubscribed) we will give children priority for places in the following order:

Priority 1 – Looked after and previously looked after children

A looked after child is defined as a child who is (one of the following):

- in the care of a local authority
- being provided with accommodation by a local authority's social services (see the definition in [Section 22\(1\) of the Children Act 1989](#))

A previously looked after child is any child who was previously looked after but stopped being so because they were (one of the following):

- adopted
- became subject to a Special Guardianship order
- became subject to a Child Arrangements Order
- were in state care outside of England and were then adopted

You must submit evidence of your child's previously looked after status (a copy of the court order and evidence of being in local authority or state care outside England) with your application.

Priority 2 – Children with exceptional social or medical needs that can only be met at our school

This priority is a request for admission to our school because your child has exceptional needs that **can only be met at our school**. It must be supported by professional evidence.

All schools in Leeds have experience of supporting a wide range of social and medical needs. However, in exceptional cases, there may be compelling reasons why a child needs to attend our school. This priority can be requested in these cases, and applicants will need to clearly demonstrate the connection between your child's need, our school and **how our school can meet your child's needs in a way that no other school can**. It must be supported by professional evidence.

Our Governing Body will review your request for this priority. Cases will be considered individually. A request would not be granted where a parent wishes for their child to attend a school based on the child's abilities, because their friends attend the school or due to childcare arrangements. Any request for this priority must outline why the child's circumstances are exceptional, and why only our school is suitable.

You must provide the following information to our school at the time you apply:

- Your child's name, date of birth and address
- What precise support your child requires due to their specific needs
- Why only our school can provide the support needed to meet your child's needs and no other school can
- What extra support or funding your child currently receives
- You must attach supporting evidence from an independent professional, such as a medical specialist which confirms exactly what your child's needs are and why, in their view, only our school can meet that need. Without this evidence, your child's needs cannot be considered

Priority 3 – Children who have a brother or sister attending our school

To get this priority, the sibling must:

- live at the same address as the child applying
- be attending the school and still be expected to attend the school when the child starts
- be a full, half, step or foster sibling (this priority does not include cousins or other family members sharing a house)

Priority 4 – Children who have a parent/carer employed by Carr Manor Community School at the time of application

In order to fulfil this requirement, the member of staff must fulfil either or both of these circumstances:

- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or;
- b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage.

Priority 5 – Children who live in the catchment priority area for our school

Our school has a defined catchment priority area – *[there is one catchment area for the primary phase and one catchment area for the secondary phase]*. You can see the catchment areas on a map at appendix 1 and 2 below.

If you live in our catchment area your application will receive a higher priority at our school than applicants who live outside the catchment area. Living in the catchment area does not guarantee a place at our school.

Priority 6 – Other children, by straight line distance

If none of the other priorities apply, your application will be considered under this priority.

If children meet the same priority (tie break)

In any priority, if children meet the same priority but there are not enough places left for all of them, the places will be allocated based on distance from our school. For example, if there are 4 places remaining at our school and 5 children all live in the priority catchment area, the 4 priority catchment children living closest to the school will be allocated those places.

If two or more children live exactly the same distance from our school (i.e. in a block of flats) and there are not enough places for both, we will draw lots. This will be witnessed by a person independent of the school.

We will not draw lots for twins or other multiple birth siblings from the same family. Where they are tied for the final place we will admit them all, exceeding the Published Admissions Number for our school.

How many children are admitted to a school (Published Admission Number)

The school's Published Admission Number (that is the number of places available for admission at the school in September 2026) is 60 places for Reception and 150 places for Year 7. We are an all through school and there are 60 of our Year 6 pupils who will automatically transfer into Year 7. These children do not need to apply for a Year 7 place at our school and are not included in the above published admission number.

Application process (normal round)

When applying to start in the entry year, all applications are coordinated by local authorities across England.

You apply to your home Local Authority (the council who empty your bins) by the below closing dates. All offers will be made by your home Local Authority on offer day.

Year 7 applicants:

National closing date: 31 October 2025.

National offer day: 2 March 2026 (first working day after 1 March)

Reception applicants:

National closing date: 15 January 2026.

National offer Day: 16 April 2026.

Applying after the national closing date

If you apply after the national closing date, we cannot guarantee to consider your preferences at the same time as those received on time.

Year 7 applications Until 28 November, all applications submitted or changed will be treated as if they were on-time.

After 28 November, any applications submitted or changed will only be considered after allocations have been made for all on-time applications, unless there are exceptional reasons for the late application agreed by us.

All applications submitted after 31 December are considered late and won't be allocated a school place until after national offer day.

Reception applications Until 12 February, all applications submitted or changed will be treated as if they were on-time.

After 12 February, any applications submitted or changed will only be considered after allocations have been made for all on-time applications, unless there are exceptional reasons for the late application agreed by us.

All applications submitted after 28 February are considered late and won't be allocated a school place until after national offer day.

Definitions and special circumstances

Nursery

You must apply for a place if you wish for your child to transfer to the reception class. A place in our nursery does not guarantee a place in our school as there is no priority for nursery attendance.

Distance measurements

We use a straight-line distance system provided by Leeds City Council admission team. The program measures the straight-line distance from a defined LLPG point on the main school building to a defined point on your home address.

The point we measure to at your home address is set by the Local Land and Property Gazetteer (LLPG), which provides coordinates for every property. If we are not able to match your address with the LLPG then we will identify a point at the centre of your home.

Temporary school sites

If our school is based on a temporary site for any reason we will base our distance measurements on our school's permanent site.

Which address to use

When you apply you must use the child's permanent address, where they usually live with their parent or carer. You must not use any other address on your application.

Using the address of a childminder, a relative or renting a property for a short period of time in order to secure a school place is considered a fraudulent application. We will investigate all queries about addresses and we could ask the local authority to change the school place offer.

If we find out that an intentionally misleading or false address has been given to get a school place, the school place may be withdrawn even if the child has already started at our school.

If the child lives in different properties (shared care)

Only one address can be used on your application for a school place, and this should be the address where the child lives for the majority of the week. In cases of equal shared care, both parents must agree which address will be used on the application.

For applications made in the normal round, if there is no agreement, the local authority will decide on our behalf which address will be used. This decision will be based on where the child spends the majority of the school week. If the child spends equal time with each parent, they will use the address where the child is registered with their doctor.

If parents disagree on an application made in the normal round

Only one parent can submit a school place application and we cannot resolve disputes between parents – only a family court can do this.

When you apply, you are confirming you have the consent of all other persons to make the application. If we (or the local authority) receive two conflicting applications, both applications will be placed on hold (and school places may have to be offered to other applicants) until the local authority has received (either):

- written evidence that everyone holding parental responsibility agrees the application
- a Court Order specifying who should apply

Your home local authority may be required to allocate a place at the closest school to the child's home with spaces remaining available if the child needs a school place offer.

Moving home

When offers are made on national offer day, we assume your address will be the same when you take up our school place in September. If you are planning to move house, you must still use your current address on your application.

As soon as you move house, you must tell Leeds City Council of your new address and provide proof of the house move, including evidence you've permanently left the old address and evidence of your new address. They may have to change the school place offered to you. Find out more on Leeds City Council's [making changes to your application page](#).

Accepting offers

You will need to accept the offer of a school place directly with our school. This will not affect your position on any waiting list for any other school or your right to appeal.

If you refuse the offer, or do not accept the offer within a reasonable time, your place at our school may be withdrawn. This will leave your child without a school place in September.

Waiting lists

We hold a waiting list after national offer day. We automatically add all children to the waiting list after offer day.

If a place becomes available before the new school year starts, your child will automatically be allocated the place at your higher preference school and will also automatically be withdrawn from the place at a lower preference school to give it to another child.

We hold waiting lists for all the year groups as follows:

- your child's place on a list is decided by the oversubscription criteria in the school's admission policy (the rules for prioritising places)
- each time a child is added or removed, the list is ranked again and your child can move down if another child meets higher criteria
- the waiting list will close at the end of the academic year (July). You must reapply for a new school place to be on the list the following year
- looked after children, previously looked after children and those allocated a place at the school in accordance with a Fair Access Protocol take priority over those on a waiting list

When your child must start at school (compulsory school age)

All children can start Reception in the September after they turn 4 and most children thrive when starting school at age 4.

You must ensure your child has a full-time education from when they reach compulsory school age. Your child reaches this on 31 December, 31 March or 31 August after their fifth birthday (whichever comes first).

Once you have a school place offer, you have the right to defer the date your child is admitted to the school until

- later in the school year but not after the date at which your child becomes compulsory school age (see below)
- and not after the beginning of the final term (after Easter break) of the school year the offer was made

If you do not think your child will be ready to start in September, you can speak to us about starting part time, or after Christmas or Easter break.

Admission out of chronological age (including deferment for summer born children)

You can ask for your child to be admitted outside of their normal age group, for example if your child is gifted and talented or has experienced problems such as ill health.

In addition, if your child is summer born child (born between 1 April and 31 August) you may request that your child be admitted out of their normal age group, to reception rather than year one.

You will also need to make a request if you are applying for a year 7 place and your summer born child was admitted to reception at compulsory school age, has been educated out of

age throughout primary school and you wish them to remain out of age at secondary school.

We recommended you:

- talk to any professionals involved with your child about your request
- contact us (and any other schools you are considering) to understand what we do to meet the needs of our youngest children
- [read the Department for Education guidance on Summer born children](#)

For all requests for admission outside of the normal age group, parents should write directly to school in the normal admission round and also submit a written request addressed to the Chair of Governors. You still need to apply for a place in their normal age group, in case you don't get permission. You must apply by any deadline date and we recommend you send the request to each school you intend to apply for, as it is possible for one school to refuse a request that another school agrees.

To apply, you must send to us a written request that explains:

- why admission out of normal year group is being requested
- the year group you wish your child to be allocated a place

If you have it, you can also attach any available evidence that supports your request.

Our Governing Body will consider each application individually and make a decision on the basis of the circumstances of the case and in the best interests of the child concerned.

This request is separate to any decision about offering a place at our school. There is no right of appeal against a decision relating to admission out of chronological age. All decisions about offering places are made by applying the admission policy oversubscription criteria to the child's application. [Find out more about starting Reception earlier, later or part time.](#)

Moving schools (in-year applications)

These are requests to join our school in-year 1 to 6 or 8 to 11, or for places in reception or year 7 after the start of the school year in September.

Where any vacancy arises, places will be offered from the waiting list based on the oversubscription criteria within this policy.

Find out more about in-year applications, including current vacancies and apply for a place, on the Leeds application portal at www.leeds.gov.uk/moveschools and on our website at <https://carrmanor.org.uk/admissions/>

Appeals

If you have applied and been refused a place at our school, you have the right to appeal. Our appeals are arranged by Leeds City Council.

Appeals submitted for a reception or year 7 place in the normal round will need to be received by Leeds City Council's deadline to guarantee being heard before the new school year starts. [Find Leeds City Council's appeals timetable containing deadlines and timescales](#)

Appeals against a decision for an in-year application can be submitted any time during the academic year. Appeals will be heard within 30 school days of the appeal request being received (where the application for a place has been refused and the right of appeal has been issued).

Fair Access Protocol

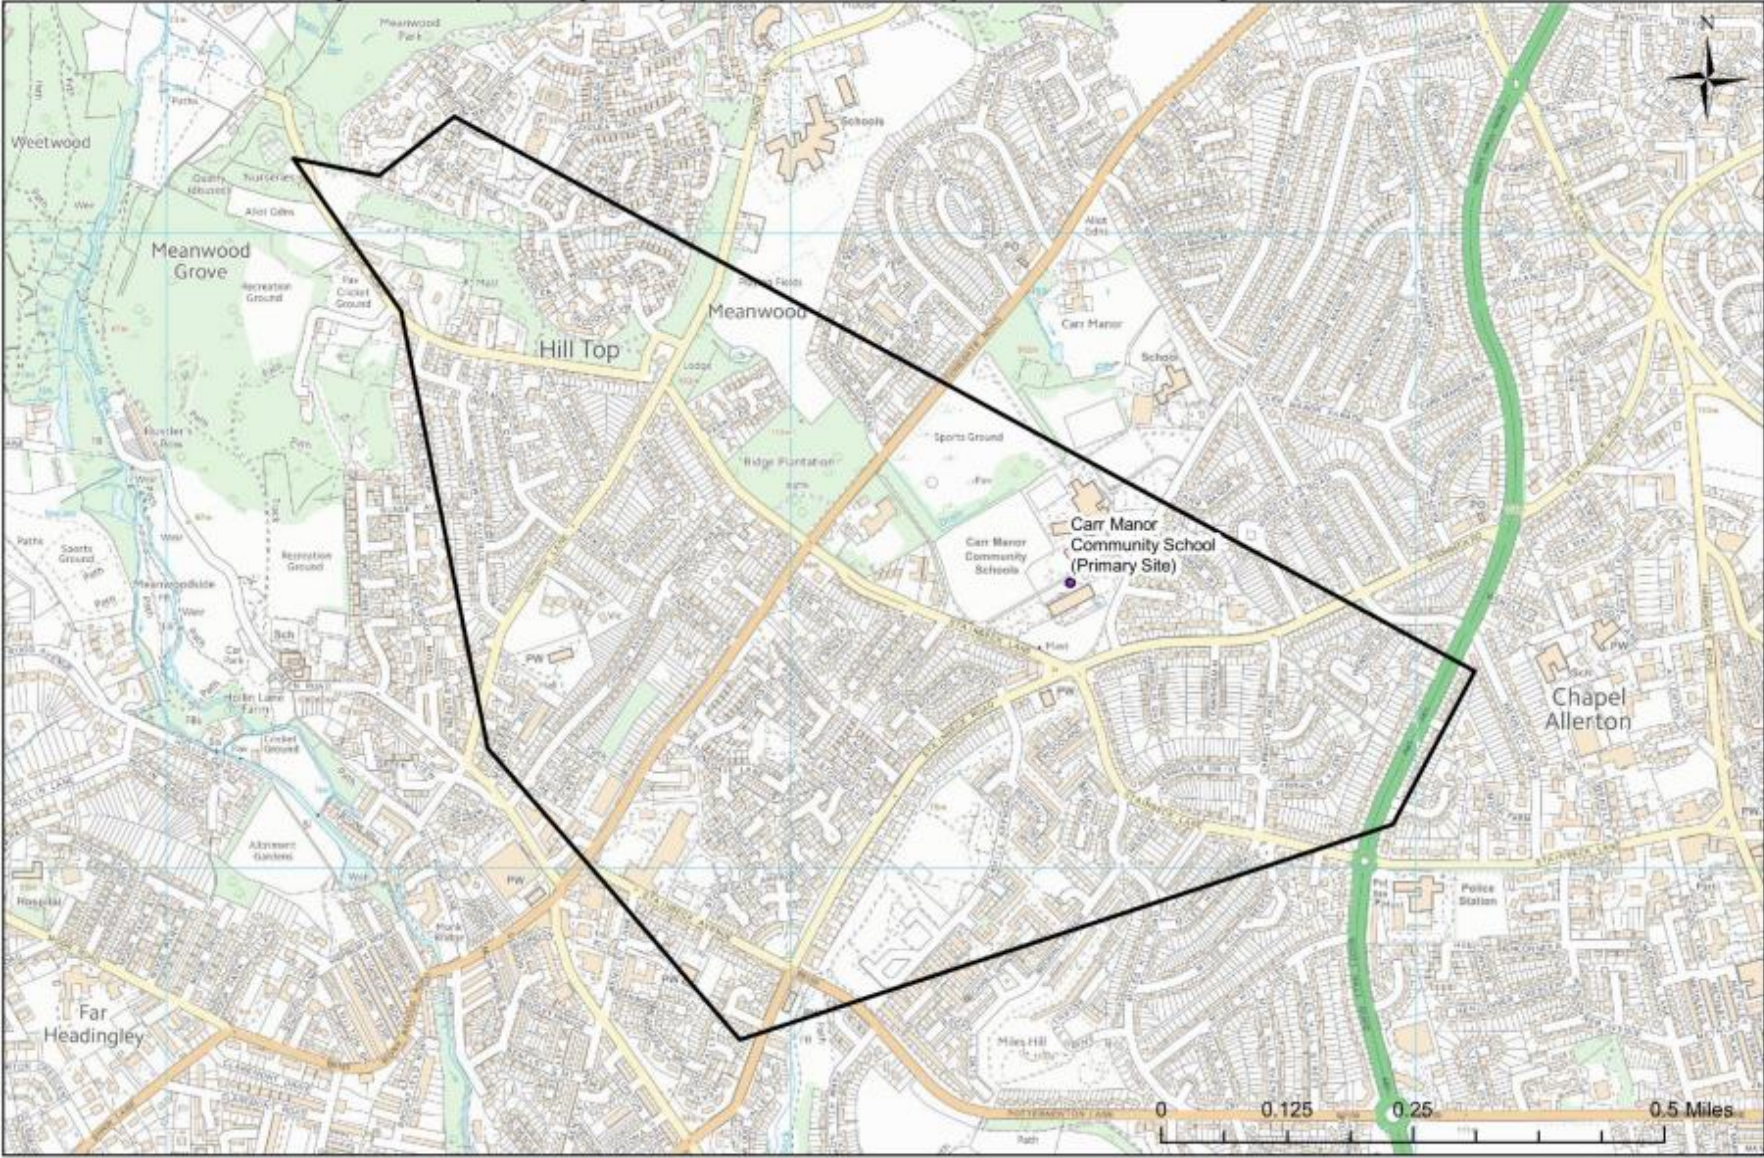

All schools must take part in the Fair Access Protocol arrangements. It is a legal requirement and the protocol applies to all Leeds schools. The protocol operates outside of the Admissions policy.

The protocol applies to in-year applications and only to children who do not have a current school place. The aim is to make sure the most vulnerable children are offered a place at a suitable school as quickly as possible. It also ensures that no school (including those with places) is asked to take a disproportionate number of vulnerable children. [Read the Leeds Fair Access Protocol.](#)

Applications to Mosaic (ASC provision)

There are 12 places available in our Autism Spectrum Conditions provision (ASC). Applications for a place should follow the local authority's '**SEND local offer**' process. For more information, parents should speak to their caseworker at SENSAP around the EHCP process.
