HOUSE ART COMPETITION

Mrs Seddon is launching a through-school art competition on the theme 'all about me'!

To enter, you must produce a piece of art (*in any style you like*) based on that theme. It could be a drawing, painting, sculpture, textile art... whatever you can imagine!

There will be one winner for each Key Stage.

Closing date for entries:
**Friday
14th November**

Secondary phase
pupils give entries
to Mrs Seddon.

Primary phase
pupils give entries
to Mrs Hipkiss.

We know our school is full of so many incredible artists, so we can't wait to see your beautiful creations!

Any questions, please speak to Mrs Seddon or your coach.

ARTS COUNCIL
CARR MANOR

Carr Manor Community School's Arts Council is a space where views and opinions can be expressed over curriculum delivery, Flexible Learning offers and any other initiatives to do with creative arts subjects in school.

This includes all performing arts subjects, ADT, creative events management and digital creative subjects.

If you want to have a positive voice for the creative arts in school and contribute to the planning, delivery and distribution of arts provision for Carr Manor. Please sign up with your coach who will pass it onto Miss Keohane, or email Miss Keohane directly.

Our first meeting of the year is a working lunch with provided refreshments from 12.40-1.25pm on **Wednesday 12th November** in the Carr Manor Community Hub.

We will be joined by **Kate Fellows**, lead of Leeds Museums and Galleries, who will talk to us about the Artsmark process.

YEAR 6 BIKEABILITY

Our Year 6 pupils have been taking part in Bikeability recently.

The weather held out to give them good conditions to learn how to ride safely on the road.

Some pupils were learning the basics of biking, while others had more advanced training.

Well done to all who took part!

THE MIDNIGHT BELL

Year 10 BTEC Dance pupils enjoyed a night out at the theatre to see Matthew Bourne's 'The Midnight Bell' at Bradford Alhambra theatre.

They have been studying Matthew Bourne and his work as part of their GCSE, and they have taken part in workshops to learn the repertoire of both his *Nutcracker!* And *The Midnight Bell*.

The pupils loved the emotive performance about different relationships, set in a London pub in the 1930's, and they enjoyed seeing the professional dancers bring their learning to life.

Miss Keohane

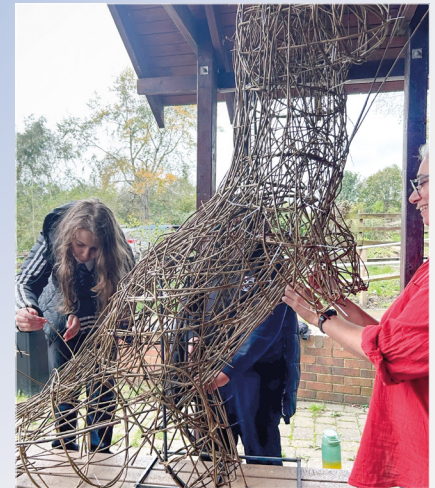

The influencers recently started clearing a space to build a *Bug Hotel* with Tom from

Ground Control while others put research into what will go on the *Otter Information Board* with Jack from *Groundwork*.

The Bug Hotel and Otter sculpture have really started to take shape.

Mr Heath

BIOLOGY IN YEAR 10

Recently, in biology, our Year 10 pupils have been learning about the structure of the heart.

They even had the opportunity to dissect a heart themselves. They showed fantastic character for learning skills and worked well with others.

Well done Year 10!

Mrs Parish

THE LION THE WITCH & THE WARDROBE

Year 8 pupils visited the Alhambra Theatre in Bradford to watch a production of *The Lion, the Witch and the Wardrobe*.

The pupils enjoyed seeing the beautiful old theatre, and joined in with audiences clapping and laughing as the sets transformed, puppets roared and musicians played while dancing and acting.

Miss Keohane

AN UPDATE FROM BASECAMP

At the Basecamp launch, pupils from CMCS and Wetherby got to know their *Huddle Groups* for the rest of the year.

They did some teamwork games and activities before the final challenge of building a raft and testing them out on the water.

Everyone had a great time and we are looking forward to the residential in Malham.

ADVENTURES IN BOOKLAND WITH...

FRIEND OR FOE

BY MICHAEL MORPURGO

What would you do if your enemy saved your life?

This page-turning wartime novel explores loyalty, courage, and the blurry lines between right and wrong. Set during World War II, the story follows two evacuees, David and Tucky, who are sent from London to the countryside to escape the Blitz. But when a German plane crashes nearby, the boys face a moral dilemma: should they help the enemy or turn them in?

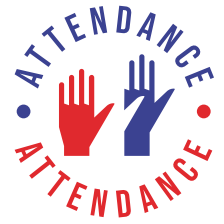

Whether you're into historical fiction or just want a story that makes you think, "Friend or Foe" is must-read. It's a reminder that sometimes, the bravest thing you can do is choose kindness - even when the world tells you otherwise.

A fantastic read for anyone in Key Stage 2 or 3!

Let's hear from Sylheti speakers here at CMCS!

SPEAKERS: N & S

Where do you come from?

We are cousins and we are both from Sylhet, in Bangladesh.

Why can you speak the Sylheti language?

Both of our families speak the language and we have been taught by them.

What do you think the

biggest benefit of speaking the language is?

We can connect to other people who speak Sylheti including our grandparents who only speak Sylheti.

What's your favourite thing about being a speaker of another language?

You can get a better understanding of different cultures and their languages, plus it is a useful skill to know another language.

Has being multi-lingual helped you in life/school?

It allowed us to find others who also speak the language and we have been able to teach our friends some words and phrases.

What do you think English speakers find hardest about learning your language?

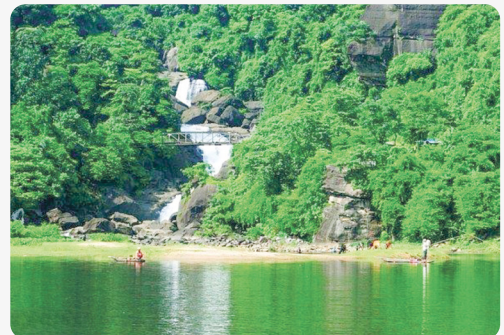

The honorifics, it's hard to determine which word should be used depending on a person's age and status since in English you mainly use the same words for everyone. Also learning the alphabet as it is completely different to English alphabet.

What is your favourite food from your country?

Fuchka/Dalibora

Do you have a favourite word or saying in your language?

The word "maya" which translates to love or affection but can also be used to describe someone.

YEAR 7 FOOTBALL

The Year 7 football team began their season with an impressive 4-2 victory over Bishop Young Academy, showcasing great teamwork and determination.

The standout performer of the match was **SC**, whose skill and effort earned him the *Player of the Match* award.

Following their strong start, the boys faced a tough challenge against a well-organised Ruth Gorse side. Despite their best efforts, they suffered a 3-0 defeat.

The team then travelled to Wetherby High School, where they encountered a very strong opponent and endured a heavy defeat. While the scoreline was disappointing, the experience provided valuable lessons and highlighted areas for growth.

Although the last two results didn't go their way, the team has shown promise and potential. With continued hard work, resilience, and support from each other, there's every reason to believe they'll bounce back stronger in the matches to come.

Mr Dixon

STANNINGLEY VS AUSTRALIAN WANDERERS

Well done to GD who represented her rugby team, Stanningley, against the Australian Wanderers recently.

The game was fast-paced and competitive with both sides showing great skill and teamwork.

It was a great opportunity to watch GD show off her sporting skills.

KS3 GIRLS RUGBY TOURNAMENT

The Year 7 and 8 girls took part in a rugby tournament at Lawnswood School on Monday 6th October, playing four matches in total.

Despite a challenging start, losing their first three games, the team showed tremendous resilience, courage and determination throughout. Their commitment to improving their rugby skills was evident in every match, with noticeable progress in ball skills and tackling.

Their efforts were rewarded in the final game, where they secured a convincing 4-0 victory.

Standout performers in the tournament were **NR** and **TS** who played well throughout all four games.

Well done to all who took part.

Miss Bramley

THIS GIRL CAN: SPORT IS FOR EVERY GIRL

Sport is not just about winning medals or scoring goals. It is about building confidence, making friends, and discovering what you are truly capable of. Across the country, more and more girls are stepping onto pitches, courts, and tracks, showing that sport is for everyone.

Now it is your turn.

From the roar of the Lionesses lighting up stadiums to the determination of England's Rugby Union women's team, female athletes are proving that strength, skill, and teamwork belong to all of us. Their success is not just about trophies. It is about inspiring the next generation to believe in themselves.

Initiatives like **This Girl Can**, created by Sport England, are helping to break down barriers and show that no matter your shape, size, or ability, you can be active and proud. Whether it is football, netball, dance, rugby, or simply going for a walk or run, every movement matters. This Girl Can celebrates women getting active in ways that suit them. That includes you.

Role Models Who Inspire

- The **Lionesses** made history by winning the UEFA Women's Euro and reaching the World Cup Final. Their passion and teamwork have sparked a surge in girls' football across the UK.
- England Women's Rugby Union Team, known as the **Red Roses**, continue to push boundaries in a sport that was once seen as only for men.
- **Dina Asher-Smith**, Britain's fastest woman, shows that speed and determination can take you to the world stage.
- **Emma Raducanu**, who won the US Open at just eighteen, proves that dreams can come true with hard work and belief.

These athletes started just like you. They tried something new, made mistakes, learned, and grew. They did not wait to be perfect. They just began.

Why Sport Matters

Taking part in sport is not only good for your body. It is amazing for your mind.

It helps you:

- Build confidence and resilience
- Make new friends and feel part of a team
- Improve focus and reduce stress
- Discover your strengths and set goals
- Most importantly, it's fun!

Your Journey Starts- Now

You do not have to be the next England captain to enjoy sport. You just have to start. Join a school team, try a new Flexible Learning club, or simply get moving with friends. Every step you take is a step toward a stronger, happier you.

So lace up your trainers, grab your kit, and remember: **This Girl Can and so can you.**

Harvest Festival 2025: What is it? And are you doing anything to celebrate?

Harvest Festival celebrates the time of year when crops have been gathered from the field and people can reflect and show gratitude for the food they have.

The festival is usually celebrated on the Sunday nearest to the **Harvest Moon**.

This year it was on **7th October**.

What is Harvest Festival?

Harvest festivals are believed to date back to ancient Britain. Other cultures and some religions celebrate a similar festival, usually during the season when lots of food is ready to be harvested.

In the UK farmers gave thanks for a good harvest during the full moon closest to the autumn equinox, it was important to them because it meant they could store the food and eat well through the harsh winter months when very little would grow. The celebrations became popular again in Victorian times as a kind of 'thanksgiving' service, including prayer and church services.

While we don't all grow our own food anymore, Harvest festivals are still considered an important way to learn about the process of how food gets from farms to our tables, gratitude and giving, as well as being a key date in the calendar of different religions.
