

**INDEPENDENT  
LEARNING**

**CARR MANOR**  
COMMUNITY SCHOOL

To support our pupils with their progress at Carr Manor Community School, we set work to be completed outside of the classroom. We refer to this as Independent Learning. The aims of Independent Learning are to **develop understanding, consolidate knowledge and develop literacy.**

The work is designed to build, develop and embed the learning that is taking place in the classroom, giving pupils the opportunity to demonstrate the knowledge and skills they are developing. At Key Stage 3 (Years 7, 8 and 9), tasks will take approximately 20 minutes for pupils to complete, and at Key Stage 4 (Years 10 and 11), approximately 30 minutes.

<b>Year 7</b>	English, maths, science, humanities, languages and computer science. <i>Once every two weeks.</i>
---------------	---

The majority of subjects set their Independent Learning using Microsoft Teams, with languages using the Memrise website ([www.memrise.com](http://www.memrise.com)) and maths via Eedi ([www.eedi.com](http://www.eedi.com)). Paper copies are also available for most tasks from subject teachers.

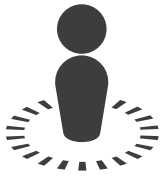

**We encourage pupils to complete all of their Independent Learning and submit it on time to their teacher.**

The Independent Learning Hub in S1 is open Monday - Friday between 3.00-4.00pm for pupils who wish to access a computer in a quiet space or receive support from a member of staff.

### **SUMMER 1**

Here is an overview of the Independent Learning that Year 7 will receive in the Summer 1 half-term.
