12<sup>th</sup> May 2026

Dear family,

Your child will start Year 9 on Tuesday 23<sup>rd</sup> June 2026. In order to help children explore the range of subjects available to them in Key Stage 4, children in Year 9 are able to choose some of their subjects on their timetable; at Carr Manor, we call these Electives. There are 13 Electives to choose from and **your child will study 4 from this list whilst in Year 9.**

The Electives are:

Food & Nutrition, Dance, Drama, Music, Creative iMedia, Business, Computer Science, Fine Art, Textiles, 3D Design, Sociology, Health & Social Care, Sport/Physical Education.

By studying four of these subjects in detail in Year 9, children are able to make a more informed decision about the qualifications they would like to study in Years 10 and 11. In the spring of 2027, we will contact you again about how this process works.

More information about each of these subjects can be found on [the Subject Information Sheet](#). Your child received a paper copy of this today.

Your child needs to complete an online form this week to tell us which Electives they would like to study in Year 9. You can access the form [here](#) or scan the QR code on the Subject Information Sheet. The deadline for it to be complete is **Friday 15<sup>th</sup> May at 3pm.**

When completing the form, your child will be asked to select a reserve subject, which acts as a back-up in case we are unable to run a course for any reason.

Please support this process by discussing the subjects with your child and ensure they complete the online form by 3pm on Friday.

Thank you for your support.

Yours faithfully

Andrew Laycock  
Senior Assistant Principal
