Leeds CITY COUNCIL

YEAR 10 DANCE CLASS

Miss Keohane's Year 10 dancers joined in a class at Leeds City College.

They learned some challenging choreography and experienced the first years' assessment performance. They were really impressed at the quality of the dancers!

YEAR 2

INSPIRATION DAY

WHY DO WE LOVE TO LIVE BESIDE THE SEASIDE?

As part of their Big Learning Question - "Why do we love to live beside the seaside?" Year 2 used their map skills to locate and label the seaside resorts closest to our school.

The children demonstrated fantastic resilience and determination throughout the activity and were thrilled when they successfully found Scarborough, which they will be visiting soon. It was wonderful to see their excitement and enthusiasm as they developed their geographical knowledge and map-reading skills. *Miss Cook*

ANTHEA BELL TRANSLATION PRIZE

Over 25,000 pupils participated in the competition in 2026, and the University of Oxford judged over 5,400 entries.

The judges commented on the very high standard of entries this year and remarked that it was extremely difficult to choose the winners and commendations.

At our school, five pupils received either a Commendation or a Highly Commended award.

Congratulations to everyone who participated in the challenge!

Miss Constantin and Mr Souza

Year 3 finished last half-term by creating their own version of the journey of a river during their Inspiration Day.

They worked collaboratively and used teamwork to create interesting versions of rivers. Some groups even labelled the different parts using the correct vocabulary.

Well done Year 3.

RECEPTION **HOT SEATING**

The Reception children have been using the technique of hot seating to explore the characters from their focus text, *The Three Little Pigs*.

The children fully embraced their roles and enjoyed stepping into the shoes of the different characters. They asked thoughtful and imaginative questions, demonstrating an excellent understanding of the story and

the characters' feelings.

It was wonderful to see their confidence, creativity, and speaking and listening skills developing.

CAREERS EVENT YEAR 7 / 8

The Careers Panel provided an excellent opportunity for Year 7 and 8 pupils to hear first-hand from professionals working in a range of sectors.

We welcomed a mortgage advisor, Head of Digital Operations for the DVSA, accountant, government policy adviser and community manager, who shared their career journeys, insights into their industries and the different pathways available into employment.

Pupils asked thoughtful questions and gained valuable advice to help them consider their own futures.

COMMUNITY GARDEN PROJECT UNDERWAY

The community garden project is now underway, with pupils from both phases working together to clear the path between the primary and secondary buildings to prepare it for some new planters.

This project forms part of our wider commitment to improving the local area for everyone, helping to create a more welcoming environment for our community.

It also contributes to our Peace Plan, providing opportunities for pupils to work collaboratively, take pride in their surroundings, and make a positive difference through acts of community service.

LEEDS 400

A YEAR OF CELEBRATION

On 13 July 2026, Leeds commemorates a remarkable milestone - 400 years since receiving its first Royal Charter from King Charles I, making it a 'Borough'.

This was very important in 1626, as it meant that Leeds could now have some trusted people in charge of making the laws for them. This part of our history was missing until 1952, when the Royal Charter was discovered in Canterbury behind an old bookcase!

To celebrate this special birthday across the city, there are lots of fun events for you and your families to join in with. You might be interested in events such as a stained-glass workshop, learning to dance at Temple Newsam or talks on the history of Leeds.

Here at Carr Manor, we will be joining in the celebrations too, and we have some special events planned, including a photography competition, a time capsule and a Coaching group competition called What's your 400?

Leeds 400 aims to bring residents and visitors together to celebrate our city's rich heritage and vibrant future. As well as celebrating the past, it is important that we work together to make sure Leeds remains great in the future too.

Keep your eyes out for the Chronicle/ CMTV for further information around the following competitions.

GIRLS RUGBY

The Year 7/8 girls represented the school admirably at the recent rugby tournament hosted at Farnley Academy.

Despite beginning the competition with two defeats, the team demonstrated resilience in their play, leading to a confident win in their final fixture.

Their commitment, teamwork, and willingness to improve were evident throughout. Well done to all involved!

Stand out performers: **EG** and **RMB**.

GROUNDWORKS

PROJECT CONTINUES

The Groundworks Project continues in the Primary Phase, developing the outdoor areas and improving the environment.

Recently they have been filling up the planters and started work on a bug hotel.

VOCABULARY VAULT

foible (noun)

Meaning:

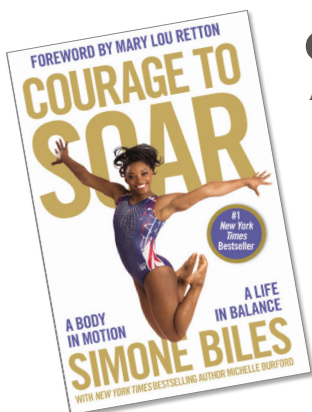

A foible is a minor flaw in someone's character.

In a sentence:

You should be able to laugh at your own foibles.

ADVENTURES IN BOOKLAND WITH...

COURAGE TO SOAR: A BODY IN MOTION, A LIFE IN BALANCE

(SIMONE BILES' AUTOBIOGRAPHY)

Simone Biles' autobiography shares the remarkable journey of how she grew from a young girl in foster care to becoming one of the most celebrated gymnasts in the world. She describes the challenges she faced, the discipline and courage needed to train at an elite level, and the support of her family that helped her stay grounded.

MISS BRAMLEY

What inspired me most was how openly she talks about her setbacks and fears, showing that even someone with extraordinary talent has to work through doubt and difficulty. Reading her story made me realize that resilience, hard work, and believing in yourself can lead to incredible achievements.

Best suited for ages 11+ (Key Stage 3&4).

Everything you need to know about the 2026 World Cup

Source: www.bbc.co.uk

The World Cup takes place in summer 2026 and will see a record number of teams from across the globe battling it out to be crowned world champions.

It's the biggest World Cup ever and will take place over three countries: the **United States, Canada** and **Mexico**.

There will be three tournament mascots - one for each host nation: Maple the Moose will represent Canada, Zayu the Jaguar is Mexico's mascot and the United States have Clutch the Bald Eagle.

The tournament is being expanded to include **48 teams** for the first time in its history, and as a result it will last a record 39 days.

The new format will feature 12 four-team groups and an extra knockout round.

There will be **16 cities** hosting games during the World Cup, 11 in the United States, three in Mexico and two in Canada:

USA: Atlanta, Boston, Dallas, Houston, Kansas City, Los Angeles, Miami, New York/New Jersey, Philadelphia, San Francisco and Seattle.

Mexico: Guadalajara, Mexico City and Monterrey.

Canada: Toronto and Vancouver.

Argentina are the current world champions, having won the previous tournament which took place in Qatar in 2022.

They beat France on penalties in a thrilling final, after the game finished 3-3 after extra-time.

The result meant that Lionel Messi lifted the trophy for Argentina - the third time the country has won the World Cup, having previously been crowned world champions in 1978 and 1986.

Questions...

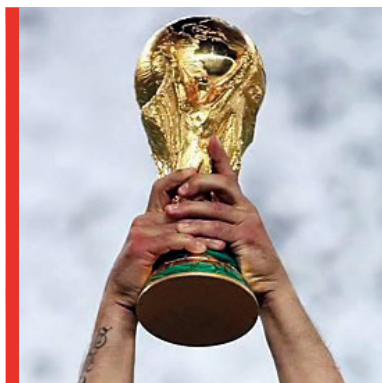

- What are the mascots for each host nation?
- How many teams will be included?
- How many days will it last?
- Can you find and copy a phrase that describes how Argentina won in 2022?

Where will the World Cup take place in 2030?

Spain, Portugal and **Morocco** will co-host the **2030** men's football World Cup.

The opening matches will also be held on a third continent, South America, which means that competing teams will play across different seasons and hemispheres within the same tournament.

The 2030 event is particularly special, because it's the 100th anniversary of the first World Cup.
