

ONE WORLD DAY PERFORMANCES

We have been treated to a range of performances throughout the weeks after One World Day.

CONTENTS

- 1 Reflection of the Week
- 2-5 Noticeboard
- 6-10 Features
- 11 Literacy Corner
- 12 House Points
- 13 Attendance
- 14 PP Stars of the Week
- 15 Carr Manor Awards
- 16 Coaching Activity
- 17 Newsflash
- 18 Badge Nominations Info

We have seen pupils singing in the Primary Phase and dance routines in the Forum during break and lunchtimes.

Pupils from the Primary Phase joined the celebrations for the girls dance routines, while a special 'flash mob' joined the United Boys for a unique show.

Teachers joined the group for a surprise display which was received with fantastic enthusiasm and support from the crowd.

We have enjoyed celebrating our creativity as a school community, with pupils demonstrating courage to perform in front of their peers.

Well done to everyone who has been involved or taken part in the performances.

*Faith is taking
the first step
even when
you don't see
the whole
staircase.*

Martin Luther King Jr.

LEEDS ARTS UNIVERISTY SUMMER ART SCHOOLS

YEARS 10-11

Leeds Arts Univeristy are running two free programmes full of extra-curricular creative arts activities for GCSE or BTEC pupils.

Summer School 1 Theme: Handmade.

When: 29th-30th July, 10.00am -3.15pm.

Summer School 2 Theme: Digital Creation.

When: 5th-6th August, 10.00am -3.15pm.

If you are interested, speak to Mrs Seddon!

YEAR 10 ADVANCED RP MEDIATION SIGN-UP

Would you like to become an RP advanced mediator?

Calling all Year 10 pupils!

This is an opportunity for you to work with our new Year 7s to support them when they experience fall outs and relationship breakdowns. You will attend training sessions with visitors who are professional mediators and will train you in this skill.

Use the QR code to express your interest, or speak to Mrs Barker or Miss Leacock if you would like to be part of the training.

CARR MANOR COMMUNITY SCHOOL

SPORTS DAY

SECONDARY PHASE SPORTS DAY

Secondary Phase Sports Day will take place on Wednesday 15th July at John Charles Sports Centre!

This is a fantastic opportunity to get involved in a range of activities and earn points for your House team. Trials have taken place during PE lessons over the last few weeks, and we are looking forward to seeing you represent your House on the day.

If you are not competing, you will still attend the stadium with your Coaching group to cheer on and support your House which is just as important! Will there be any record-breakers this year? We can't wait to find out.

Exotic fruit will be available to all!

PRIMARY PHASE SPORTS DAY

Primary Phase Sports Day will take place on Monday 13th July.

Pupils will take part in a range of activities during a morning carousel, followed by races in the afternoon on the Primary Phase field.

PRE-SCHOOL SPORTS DAY

Pre-School Sports Day will take place on Wednesday 15th July.

This will be our second Pre-School Sports Day!

Pupils will complete a carousel of activities on the Primary Phase field, and families are warmly invited to attend and join in the fun.

Sports Day is always a wonderful event that brings our school community together and showcases teamwork, determination and House spirit. Why not create a banner or poster with your Coaching group to show your support? The best poster/banner will have the opportunity to win a prize!

CELEBRATION ASSEMBLIES IN COACHING

School will finish for the summer on Friday 17th July.

On this day, the morning will be spent in Coaching bases, where pupils will celebrate the year through our celebration assemblies, take part in House activities, reflect on their progress reports, and spend time together as a group.

Although school will finish earlier than usual, attendance is expected and very important.

This is an opportunity to celebrate your achievements, receive key information for September, and take part in the final House events, including the awarding of the House trophy.

Let's end the year together.

Cookies

Cookies will be available for all pupils on the final day of term!

BE A PART OF BEAUTY & THE BEAST

We are excited to announce our upcoming school production of *Beauty and the Beast*, and we are looking for talented and enthusiastic pupils to get involved.

This is a fantastic opportunity to develop new skills, build confidence, make new friends and be part of an exciting whole-school production.

Whether you love performing on stage or would prefer to work behind the scenes, there is a role for everyone:

- Actors and background characters
- Singers
- Dancers
- Costume managers
- Stage hands
- Lighting and music technicians

Interested in taking part?

Please come to the Theatre at lunchtime on Tuesday 14th July to sign up for the role you are interested in.

Performers will receive music, dance and song resources and collect scripts to help you prepare during the holidays.

No matter your experience level, we encourage all interested pupils to come along and find out more. We look forward to seeing many of you become part of this exciting production!

Presentation Afternoon

CARR MANOR COMMUNITY SCHOOL

We held Presentation Afternoon on Friday 3rd July, which was a chance to celebrate and reflect on another fantastic school year.

We recognised the achievements of our pupils - from Pre-School through to Year 11 - and were also treated to a dance and music performance. Many more pupils will also be recognised for their efforts at the Celebration Assemblies on Friday 17th July.

Congratulations to all of the award winners for 2025-2026!

PHOENIX DANCE

Well done to Year 7 Dance club who performed at Phoenix Dance Theatre with other primary and secondary schools for Windrush Day.

The pupils were exemplary and performed to a packed out audience!

Miss Keohane

YEAR 10 TRIP TO BRIDLINGTON

Year 10 geographers visited Bridlington recently to complete some fieldwork.

They partook in sketching erosional landforms, surveying sea defenses and measuring beach material. They will now write up their conclusions in lessons. *Mr Abbott*

PROGRESSION IN WRITING

On Monday 29th June, after reading the story of 'The Lorax', pupils arrived in the Lower Years' Library which had been transformed into a Truffula Tree forest guarded by the Lorax, who speaks for the trees.

The children were amazed by how beautiful and colourful the trees were and were horrified to learn that the council wanted to cut the trees down!

To stop this, the children wrote persuasive letters giving all the reasons why these trees should not be chopped down. Some of their reasons included wanting to keep the world colourful and bright and stop it from turning grey and dull, ensuring the Bar-ba-loots still had fruit to eat and keeping the waters clean for the humming fish.

We are very proud of the progress all children showed through this writing piece.

Well done everyone!

Miss Cooper

RT Shortlisted for Leeds Children's Mayor

We are delighted to share that RT in Year 5 has been shortlisted to become the next Children's Mayor for Leeds.

The Children's Mayor programme gives young people the opportunity to represent the voices of children across the city, working alongside local leaders to help make Leeds an even better place for young people to live.

RT's manifesto, **One World, One Chance**, focuses on protecting the environment, tackling climate change and creating a more sustainable future.

His ideas include initiatives such as **Walk to School Wednesdays**, supporting local food banks and promoting sustainable living through the Carr Manor Community Hub.

How to vote

Anyone under the age of 18 years old who lives or goes to school in Leeds can vote.

Each voter is asked to read the final twelve entries and vote for their two favourite manifestos. Each vote will be equally weighted.

If a voter doesn't vote for two different manifestos or only casts one vote then their vote will be voided and not counted.

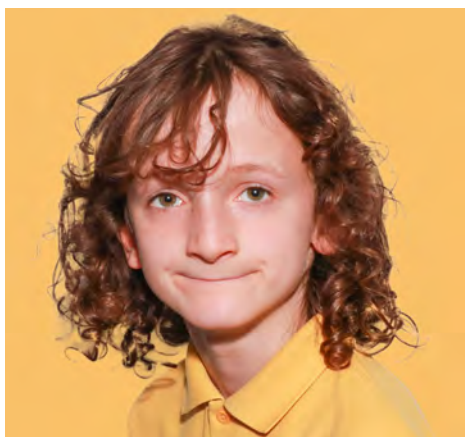

Online voting

Entries and the voting page can be found using the QR code.

Children and young people must include an email address (their

teachers / parents / carers if under 13 years old) before casting their vote, this is for verification and no information gathered will be used again.

RT has also proposed a number of city-wide initiatives, including more litter-picking stations, additional water bottle refill points, tree-planting opportunities and improved sustainable transport options for young people and families across Leeds.

Being shortlisted is a fantastic achievement and we are proud of Roman for making it this far!

Voting for the Leeds Children's Mayor election opens on Friday 17th July and remains open until 25th September 2026.

Children and young people are encouraged to read through all twelve entries and cast their vote online.

Good luck RT!

Leeds 400 Photography Competition

Congratulations to **GG** for winning the Leeds 400 Photography Competition with a stunning photograph of the Corn Exchange.

What a fantastic achievement - well done!

What's Your 400?

A huge well done to everyone who has taken part in the What's Your 400? challenge. It's been wonderful to see so many creative ideas and acts making a difference.

A special congratulations goes to Mr Grealish's and Miss Yates' Coaching groups, who have planted 400 seeds as part of their challenge.

We can't wait to see them grow and hear about all of the other amazing 400 challenges taking place across the school.

DIGITALIS PERFORM AT THE VINYL WHISTLE

'Digitalis' performed at the Vinyl Whistle at the 'Fresh Sounds 2026' gig on 1st July.

They opened a sold-out show and put on an incredible performance!

THE SOUND OF MUSIC REHEARSALS

Year 8 pupils visited the Grand Theatre to see the Sound of Music opera rehearsals.

The pupils saw a real theatre band playing and practising, spoke to the musical director, and got a sneak preview of the show before it opened to the public.

COMMUNITY GARDEN PROGRESSION

The pupils developing our community garden have made some excellent progress recently, installing the first raised planter on the pathway.

It is already making a big difference to the space and we are excited to see what they do next.

BLUE INFLUENCERS

The Blue Influencers had their final session of the term, tidying up the bug hotel and clearing the pond ready for some new developments!

TRIP TO SCARBOROUGH SEA LIFE CENTRE

Year 2 enjoyed an exciting trip to Scarborough to build on their Big Learning Question, "Why do we love to live beside the seaside?"

At the Sea Life Centre, they learned all about otters and seals, discovering where they live, what they eat, and how they are cared for. Afterwards, the children had a wonderful time on the beach, using their buckets and spades to build in the sand, explore their surroundings, and enjoy a fun afternoon with their friends.

Miss Cook

COMMUNITY INTERGENERATIONAL LEARNING

Our intergenerational learning continued with a visit from residents of Carr Croft Care Home to our Community Hub.

The children enjoyed creating craft flowers for the residents to take home. It was wonderful to see the residents at the Hub, and the children were welcoming, enjoying the opportunity to learn more about the visitors and work together to make their flowers. The activity was enjoyed by everyone, and we look forward to continuing our partnership with the care home. It has been lovely to see the children growing in confidence and becoming positive role models.

LITERACY CORNER

DEBATE IT!

Should competitive sports be played in schools?

Talk to your partner to discuss your thoughts then feedback to your circle.

Sentence Stems

- I think that... because...
- In my opinion, ...
- I agree/disagree because...

VOCABULARY VAULT

tacit (adjective)

Meaning:

Tacit is an adjective used to describe something that is expressed or understood without being directly stated.

In a sentence:

As roommates, we had a *tacit* agreement that we would never steal each other's snacks.

ADVENTURES IN BOOKLAND WITH...

THE GIRL OF INK & STARS

BY KIRAN MILLWOOD HARGRAVE

"The Girl of Ink and Stars" follows Isabella Riosse, a young cartographer's daughter who dreams of exploring her island home, Joya. When her best friend goes missing in the mysterious and forbidden Forgotten Territories, Isabella sets off on a dangerous journey to find her. Armed with her map-making skills, courage, and determination, she must navigate wild landscapes, uncover secrets, and challenge the rules that confine her world.

I really enjoyed reading "The Girl of Ink and Stars" because it combines adventure, mystery, and emotion in a captivating way. The story is filled with vivid imagery—especially the descriptions of maps, forests, and stars—which made it easy to imagine Isabella's journey as if I was travelling alongside her. One of the highlights for me was Isabella herself. She is a brave and curious character who isn't afraid to stand up for what she believes in, even when faced with danger. Her love of maps and storytelling makes her unique and inspiring, especially as she uses her knowledge creatively to survive.

Recommended for KS3.

HOUSE ATTENDANCE

With only a few weeks left of the school year, the race for the Intra-House Cup is still wide open and every point counts!

Last year, **ROBINSON** took the title thanks to their fantastic consistency across House competitions and the incredible effort of pupils earning points through the Recognition app and Dojo.

This year, it could be any House's turn. Now is the time to make a difference. Every contribution matters, whether that's taking part in House competitions, getting involved in extra-curricular activities such as RP training or careers events. Let's finish the year strong.

Keep showing commitment, teamwork, and House pride... who will take the 2026 title?!

ATTENDANCE COMPETITION!

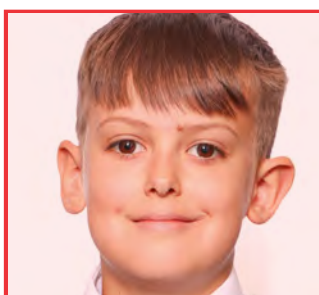

We have been running an attendance competition for the final two weeks of school.

The Coaching group with the highest attendance and punctuality (one in secondary and one in primary) will have the opportunity to visit our the Carr Manor Community Hub on the final day of term to enjoy a drink and cake as a celebration.

Make every day count, be in, be on time, and help your group win!

Get ready for the Alpha Capricornids meteor shower

Source: www.bbc.co.uk

This one's for all you stargazers - it's time for the first major meteor shower of the summer - the Alpha Capricornids!

The event happens every year, and in 2026 the shower will be active from 3rd July until 15th August, peaking on 30th July.

Top tips for budding stargazers

- Wrap up warm.
- Turn off all the lights around you.
- Be patient - it might take a little while to see something special.
- You'll need to wait for a bit for your eyes to adjust to the darkness.
- What else can you see? Write down your observations.

Good luck, meteor spotters.

Meteor showers are named after the constellation they appear to come from.

For example, the Alpha Capricornids get their name because the meteors seem to come from the direction of the constellation Capricornus.

The Alpha Capricornids can produce up to around five shooting stars per hour.

However, when they do appear, they are worth the wait, as they often produce long, slow and very bright yellow fireballs.

Meteors or meteoroids are small pieces of space debris or rock that fall towards Earth's atmosphere where they burn up.

As the space rock falls towards Earth the resistance of it makes it extremely hot.

This produces a bright streak of glowing hot air behind it.

So, what we see isn't actually the falling rock - it's the glowing heat around it - racing across the sky.

When Earth encounters many meteoroids at once, we call it a meteor shower. You don't need any special equipment to view the Alpha Capricornids meteor shower.

Find a clear space away from street lights, or the light coming from your house, as you want to be in the darkest place that you can.

Give your eyes enough time to adjust to the dark, around 20 minutes or so.

Don't look at your phone either - as the brightness from it will affect how your eyes have adjusted to the dark.
