**Our Close
Harmony group
were the opening
performers at the
Chapel Allerton
Arts Festival
recently.**

The group sang a mixture of songs by a variety of artists including Billie Eilish, RAYE, Sam Smith and Olivia Dean.

The sun was out and shining throughout the event which was well attended by members of the local community as well as friends and supporters from Carr Manor.

Well done to the performers for showing fantastic professionalism, talent and confidence!

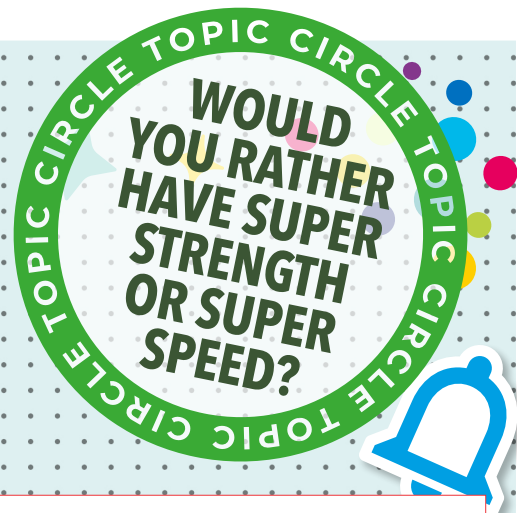

Mr Lampard

*"You are never
too old to set
another goal or
to dream a new
dream."*

Les Brown

THE NOTICE BOARD

IMPORTANT DATES

SEPTEMBER

Monday 14th

- Year 7 CATs begin

Wednesday 16th

- Year 7 Information Evening (6.00-7.00pm)

Monday 21st

- International Day of Peace
- Year 6 Bikeability begins

Wednesday 23rd

- Year 11 Information Evening (6.00-7.00pm)

Thursday 24th

- Year 10 & 11 trip to Leeds Playhouse to see Fences

DIGITAL MEDIA PASSWORDS

All Year 7 pupils have received their log in details for the computers in school. Many pupils will have already memorised these details which is fantastic!

You can make a note of your login details in a notepad and bring this into school in your bag, to help you if you forget your details.

However, you must make sure you keep this information safe and secure!

SCIENCE CLUB

F3 AFTER SCHOOL
ON MONDAYS

BAKING CLUB

Baking club is due to begin on 22nd September in G3 (the Food room) from 3.00-4.00pm

If you have signed up with Mrs Ross, please make sure you attend each week between then and Christmas.

Further places will be available in January for the next group.

Mrs Worthington

BEAUTY & THE BEAST: YEAR 7

If you are in Year 7 and are interested in taking part in our musical this year, please attend our information session which takes place today - **Monday 14th September, in F20 at lunch time.**

LIBRARY CREW

Miss Wnendt is looking for pupils to support with the organisation and daily running of the Secondary Phase library.

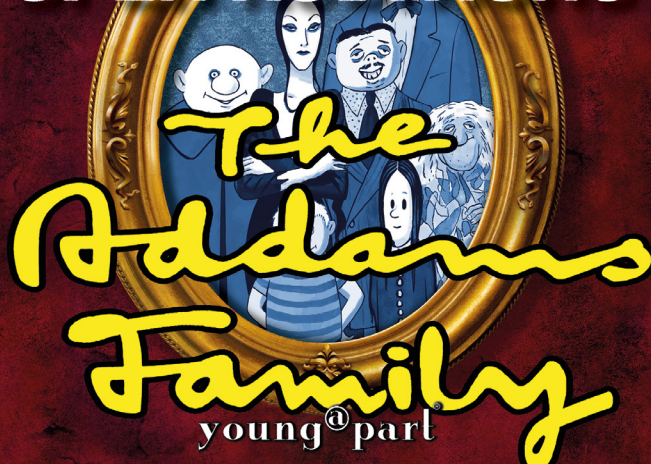

This includes dedicating one break or lunchtime per week to ensure that the library is tidy and well-organised, and to support pupils with the book borrowing process.

If you are interested in this 'Passenger into Crew' opportunity, speak to Miss Wnendt in F9 or let your coach know!

CHRONICLE CAREER SPOTLIGHT

NEW

Our new Career Spotlight highlights interesting jobs that you might want to learn more about, and the pathways into these careers.

You can use your Coaching iPads to complete the form using the QR code to suggest jobs you would like to see featured in future segments.

SPORTS PHYSIOTHERAPIST

Sports physiotherapists help people recover from injuries and improve movement.

They work with athletes, sports teams and members of the public to keep people active and healthy.

Assess injuries and create treatment plans.

Lead rehabilitation exercises.

Work with coaches and athletes.

Monitor recovery and prevent future injuries.

Subjects:

- PE
- Biology
- Science
- Psychology
- Maths

Skills you need:

- Communication
- Problem-solving
- Teamwork
- Organisation
- Resilience

Typical Salary:

£30,000 - £55,000+

You can get into this job through:

- a university course
- an apprenticeship
- working towards this role

Where could you work?

Hospitals, sports clubs, private clinics, schools.

The Aviation Academy is hosting an open evening on 7th October.

At the event you can:

- Tour their campus
- Chat with their current students
- Explore their fantastic facilities
- Speak to their expert tutors and knowledgeable support staff
- Apply on the night

**F12
READING
ROOM**

As a response to pupil voice around activities taking place in school now we are in a phone free environment, F12 will be open every Friday lunchtime as a reading room for pupils

Pupils are welcome to bring their lunch alongside their own book and enjoy a quiet space to read.

The reading room is open to all pupils and offers an alternative lunchtime environment.

For further information, please see *Miss Jenkins*.

JOIN THE CMCS EVENTS CREW!

**Do you like helping at school events?
Want to be part of a team that makes CMCS celebrations,
open events and Sports Days run smoothly?**

If so, join the CMCS Events Crew and get involved in something fun, important and meaningful. At the moment, lots of pupils offer to help, but it can get busy without enough meaningful roles.

The Events Crew will fix this by giving you training and clear opportunities.

HOW IT WORKS:

- Sign up in Coaching
- Come to a short training session
- Learn key, transferable skills like teamwork, communication, problem-solving and welcoming guests

Then you'll be part of our trained volunteer list and can choose which events to support

BENEFITS TO YOU:

- Confidence when speaking to people
- Strong teamwork and leadership skills
- Great for your CV and future jobs
- A chance to make a real difference to our school

If you join, we expect positivity, reliability and pride in representing CMCS

In return, you'll get clear guidance, interesting roles at big events, and recognition for your contribution

The Blue Influencers have had their first session after the summer, looking at the Bug Hotel they have been working on and planning their next steps.

In the allotments they planted some root vegetables in pots so they are ready to be transferred into the larger plant beds in the next session.

The space is looking better with every session and they are making a fantastic difference to our outdoor space, well done!

Mr Heath

MUSICAL INSTRUMENT EXAM EXCELLENCE

Congratulations to all the pupils who sat their instrument exams over summer. We're very proud of your amazing results!

Would you like to learn an instrument? Speak to Mr Lampard in Performing Arts.

LITERACY CORNER

DEBATE IT!

Every child should learn to cook.

Talk to your partner to discuss your thoughts then feedback to your circle.

by Stephen Chbosky

VOCABULARY VAULT

Phantasmagorical (noun)

Meaning:

describes something dreamlike, surreal, and filled with a rapidly shifting, bizarre, or fantastic medley of real and imaginary images.

In a sentence:

"Had we slipped into a phantasmagorical parallel universe of moving floors and talking rabbits?"

ADVENTURES IN BOOKLAND WITH...

CRATER LAKE

BY JENNIFER KILLICK

This book is a fast-paced and mysterious thriller that keeps you on your toes and wanting to read chapter after chapter.

A school trip to the Crater Lake activity centre feels like the perfect adventure for Lance and his friends, until a bloody handprint on the bus window makes them start to think this school trip might not be all it seems...

I loved reading this book and the sequel, "Crater Lake: Evolution", because the story was really unique and it had horror elements throughout that made it really exciting.

This book would be suitable for Upper Key Stage Two or Key Stage 3.

SPORTS NEWS

YEAR 10

LEAGUE MATCH REPORT | 3-2

The Year 10 team started their league campaign with an exciting 3-2 victory against Boston Spa.

In a closely contested game, the team showed strong attacking play and worked hard for one another throughout. Goals came from **ZB**, **BD** and **RU**. Player of the match went to **TW**.

They demonstrated great resilience under pressure to see out the win and make a positive start to the league season.

YEAR 8

FOOTBALL MATCH REPORT

Carr Manor Community School 1-2 Wetherby High School

The Year 8 football team began their season with a home fixture against Wetherby High School. This same fixture resulted in our heaviest defeat last year, but after finishing the previous season unbeaten in four games, the team went into this match with much greater confidence.

The game also saw débuts for three Year 7 pupils, **ZJ**, **FJ** and **NN**, all of whom made a positive contribution.

Wetherby made a strong start, racing into a two-goal lead early on.

Carr Manor responded well and were rewarded with a goal just before half-time to make it 2-1 and set up an exciting second half.

After the break, Carr Manor created a number of chances and pushed hard for an equaliser but were unable to find the finishing touch. Despite a spirited performance, the game finished 2-1 to Wetherby High School.

There were plenty of positives to take from the performance, particularly the resilience shown after a difficult start.

Player of the Match: **ZJ** who impressed on his début with a determined and hardworking display in midfield.

YEAR 9

LEAGUE MATCH REPORT | 2-1

The Year 9 team got their league campaign off to a winning start with a hard-fought 2-1 victory against Boston Spa.

The team showed excellent teamwork, determination and resilience throughout the match, creating chances and working hard defensively.

Both goals came from **SF** who was the player of the match.

A positive start to the league season and a well-deserved result.

Mr Joyce & Mr Dixon

LEEDS SCHOOLS CRICKET LEAGUE

WINNERS

Before the summer, our Year 8 cricket team entered the Leeds Schools Cricket League where they played a group of matches against other schools in the area.

Despite this being our first entry into the league, the team had some fantastic performances and ended the season as overall champions for 2026.

Well done!

United Nations vote to change maps to more accurately represent size of Africa

Source: www.bbc.co.uk

The United Nations, which is a group that brings together lots of countries from around the world, has voted to replace the traditional world map with one that more accurately reflects the size of Africa.

This is because people have argued for some time now that the maps we usually see aren't accurate.

The type of map that is often used shows Africa as being much smaller than it actually is, and some people argue that this is discriminatory.

The vote aims to fix a difference on a common type of map known as Mercator, in which the African continent is shown as being of similar size to Greenland - even though it is in reality about 14 times larger. The US was the only nation to vote against it, and six countries didn't vote.

It's thought this decision could affect what's taught in schools around the world, including here in the UK. Since the 16th Century, we've mostly been using Mercator maps.

It was designed in 1569 by the Flemish cartographer Gerardus Mercator to help European explorers sail the seas. It's slightly distorted because it's hard to show a 3D globe on a flat piece of paper.

However, critics of the Mercator map say there is a psychological effect to viewing some places as smaller than they actually are and others as larger, as we naturally view bigger things as more important.

Kenyan geographer Kioko Muendo, told the BBC: *"Maps are more than just guides for travellers - they shape how regions are perceived politically and economically."*

So in 2018, a team of cartographers (map-makers) designed a new type of world map called the Equal Earth map.

It aims to present the size and shape of landmasses more accurately.

The Equal Earth map was adopted by 54 African Union (AU) members in February.

The AU is a group of African nations, and they said the Equal Earth map *"more accurately represents the sizes of all continents, particularly Africa"*.

Online campaign group, Correct The Map, said: *"You could fit the United States, China, India, Japan, Mexico and much of Europe into Africa and still have land to spare."*

Questions...

- What does discriminatory mean?
- What does distorted mean?
- What is a synonym for perceived?
- What do cartographers do?
